

## Time to move out?

When it's time to move out, there are some things that are important to remember before leaving your apartment. We know that it can be difficult to remember everything that you must do - therefore we have gathered the most important information needed and a lot of tips below.

Scroll down to avoid the headaches and follow our lists to make it easier for you.

Start by checking that you have checked all the items in the list below before the inspection and before handing over your apartment to the next tenant.

### Keep in mind that:

- Follow the checklist below when moving. If the cleaning is not approved, you will be charged for this.
- Book an inspection in time and make sure you have all the keys and return them in connection with the departure inspection.
- If you have rented a storage room - do not forget to empty it!
- Disable internet. Leave any equipment that was there when you moved into the apartment and send it back or take with you what you ordered extra (for example router).

## Checklist when moving - how to clean properly

Leaving the apartment spotlessly clean can save you both time and money. Follow these points below and think extra hard about the star-marked points that often need a little extra love before the inspection.

Good luck and do not hesitate to contact us if you have any questions!

### Om Studentbostäder i Sverige AB
