

Termination of contract

Your rental agreement has a notice period of three calendar months meaning the month you send in this form will not be included. We cannot change your termination period, but we will let you know if the next tenant wants to move in earlier. Print out and sign the form and then email it to us at info@sbsstudent.se. We will then email you a confirmation.

Termination of apartment: Please fill in all objects you are renting from us under object. If you have a parking lot or storage, they will be terminated to the same date as your apartment.

Termination of parking lot or storage: Please only fill in the object you wish to terminate under object.

As a tenant you are obligated to show the apartment to following tenants. Therefor we will give your name and contacts to those who are offered the apartment so you can get in touch and schedule a time that suits you. This will also be in your favor if you wish to move out earlier.

ATTN! Please let us know if you do not want us to share your contacts. We will then schedule a time during your last month that we will notify you and the speculators of. You must then show the apartment at this time.

If you have a contract with a provider of television or internet, remember to terminate these as well.
